## **DOUGLAS G. CUELLER**

### **Vice President, Midwest Operations**

Doug holds an M.B.A. in finance and management from Lewis University and a B.S. in accounting from the University of Illinois.

He joined Santanna Natural Gas Corporation 11 years ago, after serving several years with Northern Illinois Gas as an Accountant and Transportation Gas Analyst.

As the Vice President of Operations based in Santanna's Chicago regional office, Doug utilizes his vast local industry knowledge to enhance an already successful customer base and increase the efficiency through further updating and computerization of billing, transportation and balancing of all accounts.

Doug's organizational and motivational skills have been very instrumental in the building of an aggressive and efficient sales and administrative staff in Chicago that has grown to twenty-five (25) members.
